

TEMPLE UNIVERSITY ENVIRONMENTAL HEALTH AND RADIATION SAFETY

NO. 3.1

TITLE: Safety Training Programs

Page 1 of 1

ISSUED: 6/94

REVISED: 9/15

Federal, state and local regulations require that Temple University employees receive various safety-training sessions both at the time of hire and on a routine basis throughout the duration of employment.

This training may vary depending upon the nature of the exposure, the education of employees, and other relevant parameters.

The following are the Temple University training requirements.

Hazard Communication Training	Policy 3.2
Chemical Hygiene Training	Policy 3.3
Radiation Safety Training	Policy 3.4
Bloodborne Pathogens Training	Policy 3.5
Airborne Pathogens Training	Policy 3.6
Laser Safety Training	Policy 3.7
Specific Training	Policy 3.8
Shipping of Dangerous Goods	Policy 3.9
Chemical Waste	Policy 3.10
Select Biological Agents	Policy 3.11
Security of Hazardous Materials	Policy 3.12
