GENERAL INFORMATION
GUIDELINES ACADEMIC YEAR 2020-2021

TEMPLE UNIVERSITY ID / ACCESS CARDS

Permit parkers will utilize their Temple I.D. Card as their parking access card. Depending upon the assigned area, the I.D. Card is used at all points of entry and exit. Therefore, it is essential to maintain a valid, operational I.D. Card. The Temple I.D. Card must be used at the gate by registered parker.

After 12:00 PM Friday and all day Saturday and Sunday, all permit parkers are accepted in the Ontario West Garage until 8:00 AM Monday without charge. The time of exit must be 8:00 AM or earlier. The same applies to holidays. You must have your valid permit and Temple I.D. to be admitted. Unauthorized overnight parking in surface parking areas may result in the ticketing and/or towing of the vehicle.

STUDENT SEMESTER PARKING

Permit parking provides the parker a space in an assigned parking area at a set rate. The parker has the privilege of entering and exiting the assigned parking area at no additional charge. Payments for parking at Temple University are made in full at the beginning of every semester (four months). Upon purchase, a permit will be provided. If you purchase online you must come to the parking office in the Carlisle West Garage to pick up your permit. Your current Temple ID card and permit are the mechanisms that control your entrance into the parking area or garage. If you wish to cancel your parking, a cancellation notice must be submitted (one month's notice) and your permit must be returned to our office.

EMPLOYEE PARKING

As an option, faculty and staff members with a valid Temple ID may opt for convenient payroll deductions. Prior to the beginning of the respective parking period, parkers who are not on payroll deduction, have the option of paying by check (payable to Temple University) or via credit cards. We accept Visa, MasterCard, Discover, Debit Card and American Express. Failure to pay your bill on a timely basis could result in the cancellation of your parking assignment. If you wish to cancel your parking, a cancellation notice must be submitted and your permit must be returned to the Office of Parking Services, otherwise, parking charges will continue to accrue.

FLEX PARKING

This permit is available to both students and employees temporarily during the Fall 2020 semester; this has a per-entry rate of \$10.00. Flex parkers can utilize their parking between the hours of 7:00 AM and 10:45 PM, 5 days a week. Flex Permits are complimentary but funds must be added to your account before you can enter your designated facility. If you are an employee you may be eligible to sign up for automatic, after tax payroll deductions. You can select how much you would like to have deducted from your payroll and you can stop your payroll deductions at any time. Students can be assigned to either the Battersby Lot or the Carlisle West Garage. Employees have access to the Carlisle West Garage.

PERMIT

Permit parkers are issued a permit for their respective parking area. The purpose is to serve as a secondary means of access identification in the event of a system or power failure, equipment malfunction, etc. Additionally, when exercising one's right of reciprocity (to park in another area when one's area is closed) a valid permit must be presented to the guard in order not to incur daily charges. Permits must be hung on the back of the rear-view mirror inside the vehicle so they are visible through the front windshield at all times. This enables us to contact you quickly in the event your lights are on, etc.

- Must be hung on the back of the rear view mirror.
- Vehicles not displaying a permit must pay the daily cash rate.
- LOST PERMIT REPLACEMENT FEE IS \$20.00.
